Oh my GOTH!

Jenna's giant jugs send shivers up our spine

WE'LL say this about the goth look – it's DEAD sexy! Arf arf arf!

Especially when it's combined with huge and very PALE boobs like those of our new Pommy bestest mate Jenna Valentine.

We conducted a quick séance with her and here's what she had to say.

We love your look, Jenna – spooky but very horny. Are you really a creature of the night?

"Oh wow, thank you! I'm actually the opposite. I wake up early and go to bed early. I love sleeping SO much. Sleeping is pretty goth, though, because you're temporarily dead for eight to ten hours at a time."

Goth enough for us. Have you ever had sex in a graveyard?

"Yes, many years ago when I was a bad teenager and use to go to the graveyard with an ex-boyfriend. But that's pretty much every teenage goth love story."

Erm... if you say so! On to more LIFE-AFFIRMING matters – what's the best and worst thing about having such ENORMOUS knockers?

"Best – they make for amazing pillows! And they look amazing in corsets and waist clinchers. Worst – sometimes I accidentally knock things over with them, or worse, I run into people with them. I accidentally smacked a friend of mine in the face with one of them once."

Actually, we wouldn't mind that... The Picture

Savannah Bond

BLE O

...ven

... is for your eye only!

AUSSIE porn star Savannah Bond is on the rise, just as we're about to fall off the twig. Ships that pass in the night and all that.

We only knew her briefly, but that's the way it goes. Sob!

Nevertheless, the mam-nificent Melbournite took time out of her busy schtupping schedule in the USA to have a yack with us.

What's the best thing about your job, Savannah?

"Being able to express myself through an industry I'm passionate about, creating beautiful entertainment and being an empowered free human!"

Hooray for you! What's your fave scene you've shot so far?

"I honestly can't decide. All of them are amazing and unique experiences. But one does stand out in my mind – it was filming in a Tesla with the doors up while being driven around downtown LA in broad daylight."

Yep, that's one to write home about. What kind of porn do you enjoy watching yourself?

"Hardcore, intense stuff – anything where you can tell the performers are genuinely enjoying it."

OK, that's enough about YOU. Let's talk about US. How does it feel to be one of our last cover girls?

"Honestly, it's an honour. I'm really excited to have the opportunity before the magazine comes to an end."

As a woman working in the adult industry, how do you feel about wowser groups trying to shut down your right to perform?

"I find it truly sad that in this day and age that people are so afraid of sexuality. People should celebrate it instead of stigmatising the most natural thing in the world. We are a generation that›s sexually evolving so hopefully they educate themselves to discover that their opinions are outdated."

What does PICTURE closing down mean to you?

"I'm in shock that PICTURE has to stop! It will be missed by a massive audience, no doubt about it."

Jeez, now you're getting us all misty. Goodbye and good luck, Savannah! Picture

STOP FUCKEN PRESS! STOP FUC ESS!

Pommy model Charlotte Springer likes balls that are fluffy and yellow. So if you've got jaundice and don't shave your pubes, give her a call.

LOS ANGELES

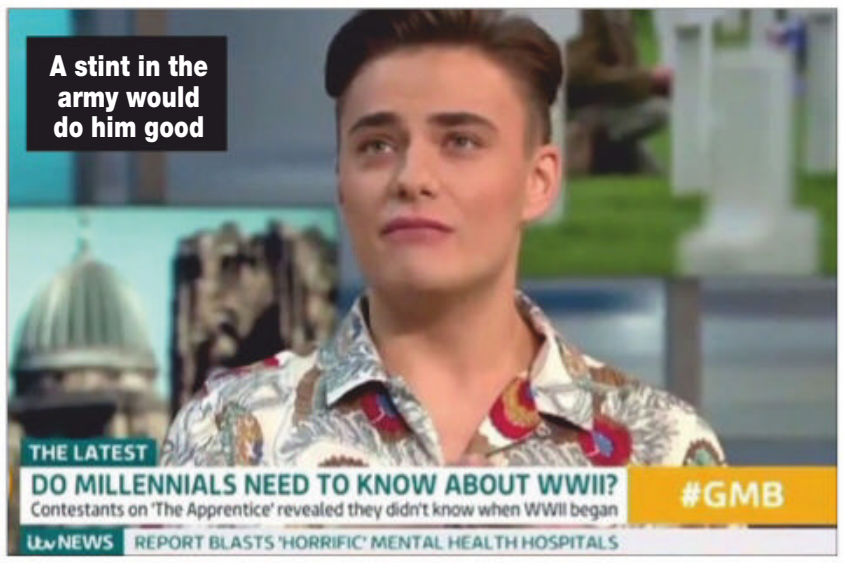
How did Marina, a model from Czech republic, wind up naked hitching a ride in northern USA? Must've been a helluva party!

HOLLYWOOD!

Model, singer and actor Sela Vave may not be a big name yet, but if she keeps flashing the twins around like this, we predict she'll get there.

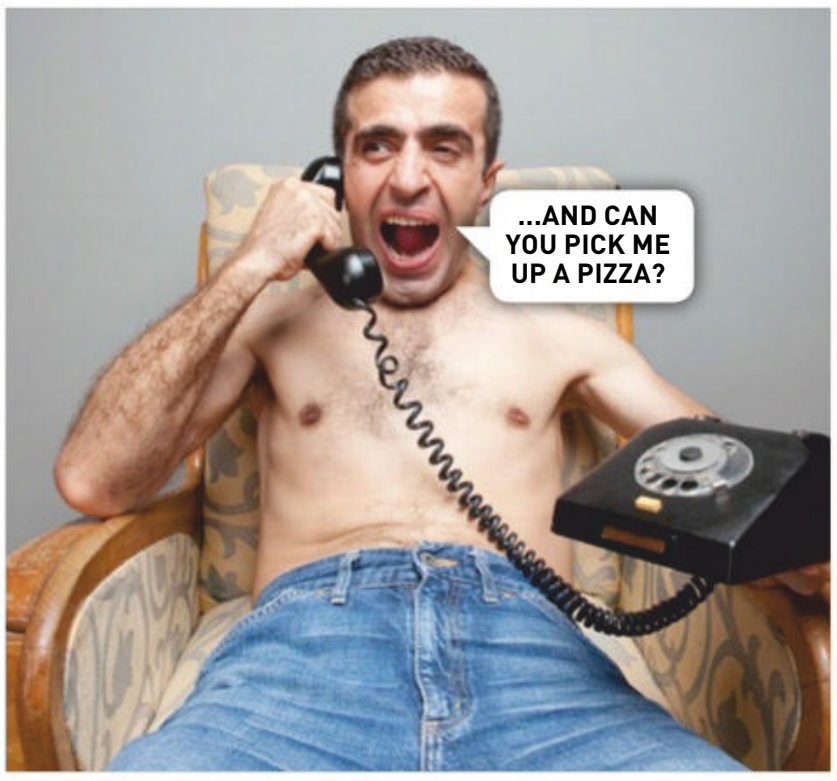
NEWS FLASH

THIS SHIT REALLY HAPPENED!



DON'T MENTION THE WAR

POMMY reality TV fuckwit Freddie Bentley reckons teaching kids about World War II in school is too "intense". In a teev interview Fred, 22, said he wished he'd learned less about the war 'cos: "Like, mentally, mental health, to be told this certain amount of people died for you, I just learned as a child, it's so intense." Fred's profession is listed as "Instagram influencer". That tells you all you need to know, really.



WHERE'S MY WEED?

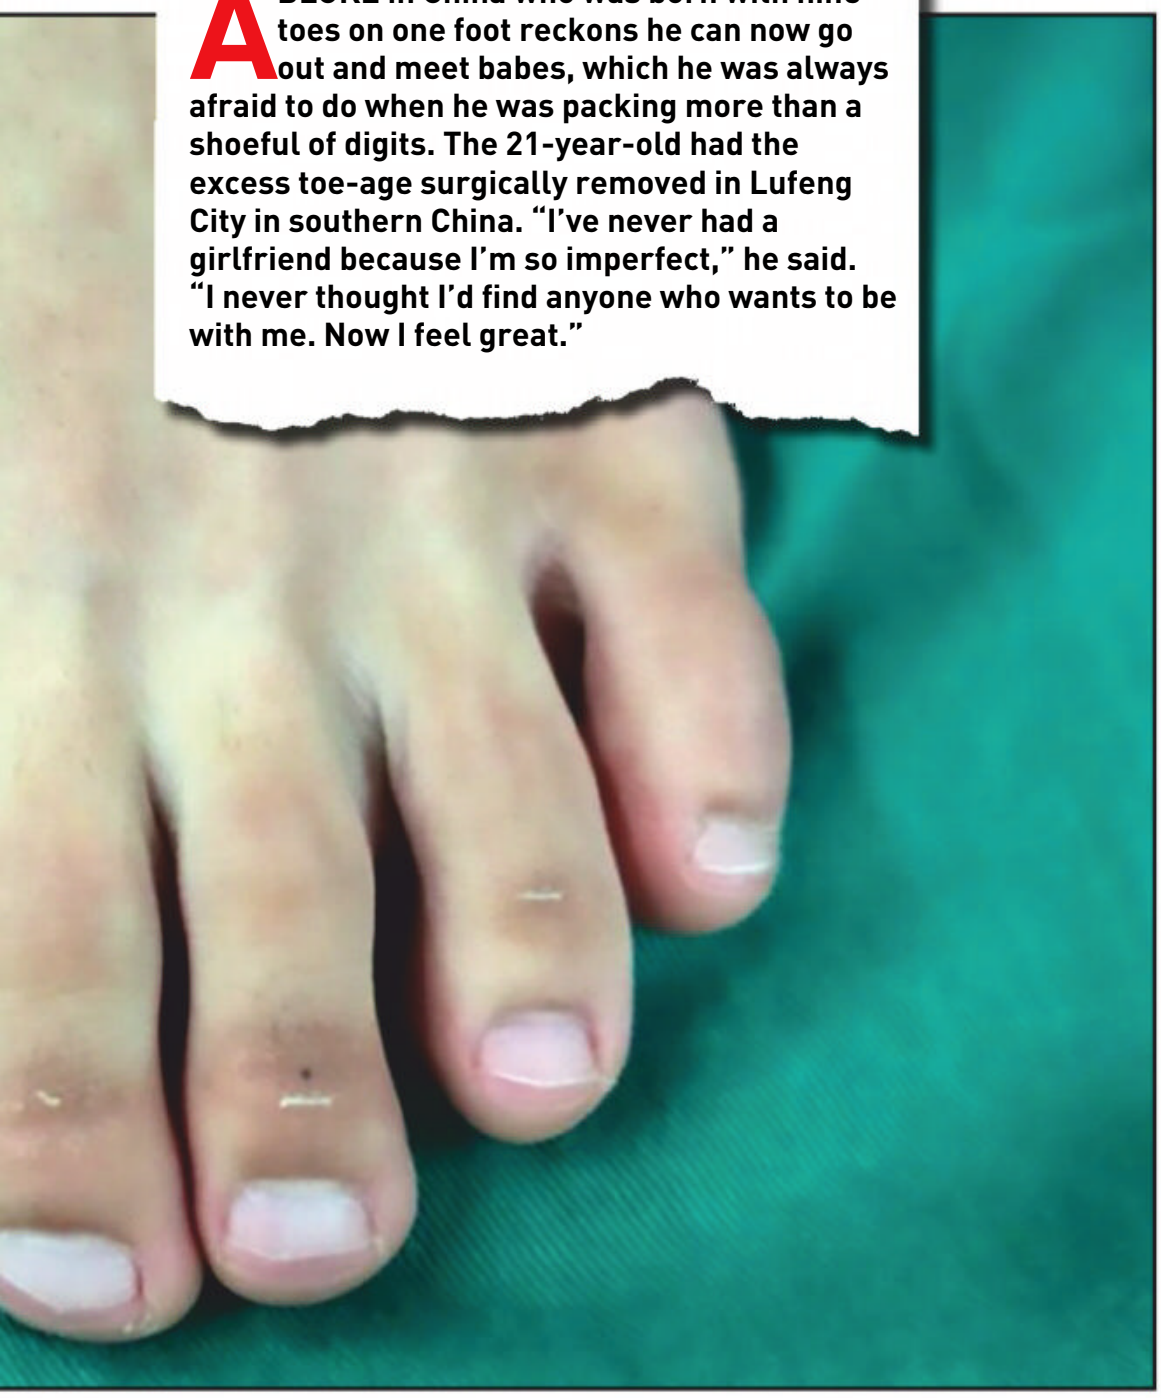
SOME stoner in Florida keeps ringing the cops to tell them his stash has been ripped off, and they really wish he'd stop. Police in Pasco County reckon the bloke was upset that his room-mate had nicked his weed and he wanted something done about it. So he rang them. Again and again and again. "We just want him to stop calling about the stolen weed," said Sheriff's office communications director Kevin Doll.

TATT'S LIFE

A SILLY Seppo cunt who gave the wrong name to cops who were arresting him forgot one very important detail – he had his real name tattooed around his neck. Matty Bushman, 36, of Mansfield, Illinois, USA, was charged with obstructing justice after being pulled in for an outstanding warrant and tried to bullshit to the cops that he wasn't who they thought he was. He's now behind bars.

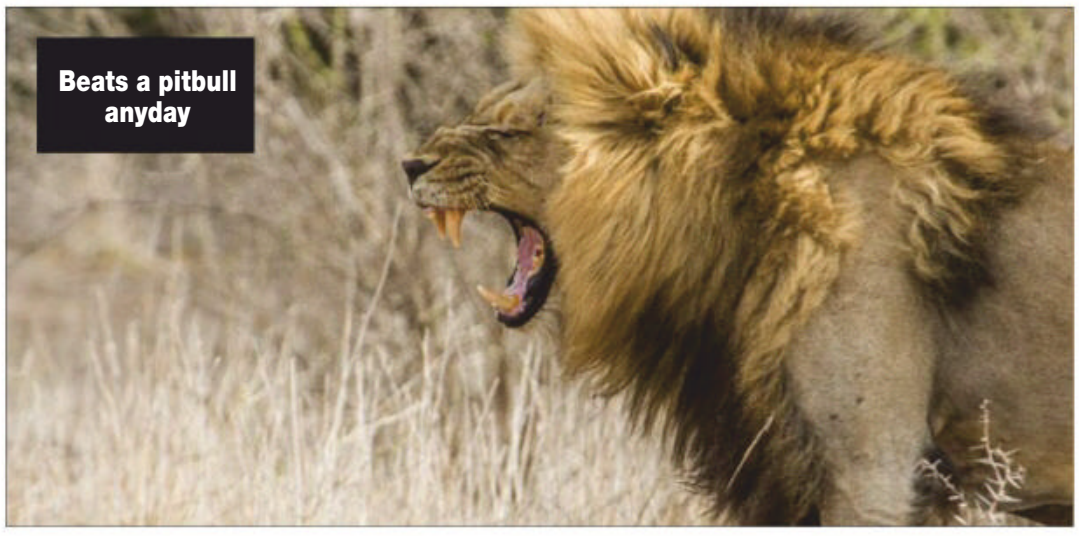
FEELING TOEY

A BLOKE in China who was born with nine toes on one foot reckons he can now go out and meet babes, which he was always afraid to do when he was packing more than a shoeful of digits. The 21-year-old had the excess toe-age surgically removed in Lufeng City in southern China. "I've never had a girlfriend because I'm so imperfect," he said. "I never thought I'd find anyone who wants to be with me. Now I feel great."



HORNY BASTARD

ROLF Buchholz, who holds the world record for most pierced bloke, has upped the stakes by getting HORNS. Rolf showed off his new head-butting equipment at the International Brussels Tattoo Convention, where the German champion was the star attraction. Rolf's got 480 piercings, including 278 just in his dick! He can still fuck, but. It's not a problem," he said. "I have had the piercings already so long, if there was a problem, I would have got rid of them already long ago."



ROAR DEAL

IT'S tough being a tradie in Pakistan. A sparky who did some work at a religious centre had a fucken LION set on him when he tried to get paid. Electrician Mohammad Rafique went back a few times to collect his wages, but the caretaker of the Sada-e-Imam Hussain hall, Ali Raza, let loose the big growly bastard. "The caretaker kept delaying the payment. But when Rafique persisted, Raza got annoyed and unleashed his pet lion on him," said a police spokesman.

SAVE the planet? Yeah, seems like a good idea. After all, that's where all the GOOD PUBS ARE.

So ever since Swedish schoolgirl activist Greta Thunberg told us what FUCKWITS we were, we've been working on ways to lift our game, climate change-wise.

We figured the best way to do it would be to bring nude spunks into the mix. They always make everything better.

And if nude spunks are doing it, soon every bloke in the world will want to do it too, and next thing you know, the world will be safe again and we can all get BACK ON THE PISS. Hooray! Picture

As well as chewing energy, clothes dryers cook the elastic in ya undies. Then ya balls hang out the side, which is FUCKEN UNCOMFORTABLE.

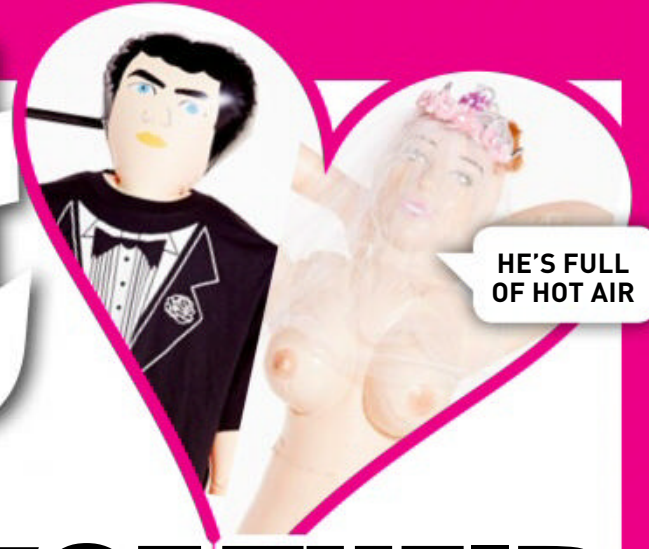
There you go. There's something to think about when we're not around any more. ■Picture

THE Happiest DAY OF THEIR LIVES!



WHO says we're not a sentimental bunch of cunts here at THE PICTURE? This is the day we joined the office sex dolls Rolf and Rosie in the bonds of rubbery matrimony. ■ Picture

The Reverend Mitzi was there to perform the ceremony.

She ripped through it pretty quick – it was only a couple of blow-up dolls, after all.

Then it was time to kiss the bride.

The honeymoon started well enough...

...but it all ended in disaster when Rosie sprang a leak.

THE BOX

Carl gets his own home renovation TV show!

GIZ five bucks, a pack of smokes and my own TV show?

Fuck ya... what? Wait a minute!

Carl here, and bugger me if some cunt didn't actually do it – give me my own TV show, I mean. I'm still waiting on the dosh and the smokes.

Fuck *THE PICTURE* – I'm gunna be a TV star!

It's gunna be one of those home renovation shows, but with a difference – it'll be all about renovating a cardboard box.

We're gunna put a bunch of wannabe celebrity wankers in a cardboard box in a park and see how they get on.

And here's the twist – they don't get a stack of dosh like on those other shows. They have to get by on whatever they can scrounge sitting outside of Woolies with a cup.

Welcome to 'reality', cunts!

I'll give 'em a few tips, but, like how to cut out some windows to get the best view, where the best public dunnies are and what to tell the cops when they come along to chuck ya out.

Now THAT'S reality TV. Not some dickhead spending $5000 on a gold-plated toaster oven, just some wankers and a box.

And whoever has the best box at the end gets to have me around for a piss-up. Then I'll chuck 'em out and move in.

See youse on the tube, readers! The Picture

YOU'RE JOKING

100% POLITICALLY INCORRECT!

Q. WHY IS YOUR FLY OPEN?
A. IN CASE I HAVE TO COUNT TO ELEVEN.

O.A., CLARA CREEK, QLD

MY WIFE packed my bags and kicked me out of the house.

As I walked out the front door, she screamed, "I wish you a slow and painful death, you bastard!"
"Oh," I replied. "So now you want me to stay!"

G.T., BROOKER, SA

A FARMER has an impotent bull. After months of desperation and trying everything he asks for the help of a fellow farmer, who tells him to show the bull some hard core porn.

Despite the silly advice, he has nothing to lose. He sets up a projector in the barn and showers the bull with porn 24/7 for several days, and exposes him to the cows afterwards.

Sure enough, the bull jumps on the first cow he lays his eyes upon and starts humping like a champ as the farmer watches in joy, which quickly turns into horror as the bull pulls out and proceeds to cum all over the cow's face.

NIBLET, PRAWLE, QLD

Q. WHAT DO YOU DO IF A BIRD SHITS ON YOUR CAR?
A. NEVER ASK HER OUT AGAIN.

D.C., RAPPVILLE, NSW

JOKE OF THE WEEK WINS $100

A LAWYER is getting out of his BMW when a semi rolls by, taking the open door clean off. A nearby cop has seen all of this, and runs over. The lawyer immediately starts screaming and gesticulating about the value of his beamer and how much it's going to cost him to get it fixed.

The cop loses his patience and says, "You lawyers are so materialistic. All you care about is money!"

The lawyer is incensed and says, "How dare you call me materialistic? Do you know what I earn an hour? You have no idea what kind of pressure I'm under!"

The cop says, "Well, you're so concerned about your beamer, you didn't notice the truck took your arm off at the elbow."

The lawyer looks down and screams "Fuck! My rolex!"

CRICKETS, ASCOT, VIC

A PIRATE goes to the doctor, worried the moles on his back are cancerous. "It's OK," says the Doctor. "They're benign."
"Count 'em again Doc," says the pirate. "I reckon there be at least ten"

RAZZA, HUNTLEY, NSW

Q. WHAT HAS NINE ARMS AND SUCKS?
A. DEF LEPPARD.

D.S., REDBANK PLAINS, QLD

IT'S Phil's 90th birthday. All of the residents of the retirement village are there.

Suddenly, two people come in with a huge "Happy Birthday" cake. The top of the cake opens up, and out pops a gorgeous busty blonde in a skimpy bikini.

She goes over to Phil, sits on his lap, and says "It's your 90th birthday, and I'm here to give you super sex."

Phil looks at her and says "Please don't take this the wrong way, but at my age, I'd rather have the soup."

H.Z., NEWCASTLE WEST, NSW

Q. WHERE DO YOU FIND A DOG WITH NO LEGS?
A. WHERE YOU LEFT HIM.

J.G., AUBURN, SA

TWO blondes fall in a hole. One says "It's dark in here, isn't it?"

The other replies "I don't know. I can't see."

BRETT, ROCKINGHAM, WA

MY DAD taught me how to swim. He'd take me to the lake near our place and just chuck me in. It might seem harsh, but it worked. The hardest part was getting out of the sack.

QUOTE OF THE WEEK

THIS WEEK: LITTLE CHAMPION BRAD WILLIAMS

"MIDGETS ARE HAPPINESS. THEY SHOULD GIVE MIDGETS TO CANCER PATIENTS, YES! CAN YOU IMAGINE THAT SHIT? 'I'M SORRY, SIR, YOU'VE GOT CANCER.' 'DAMN IT.' 'HERE'S YOUR MIDGET.' 'FUCK, YEAH!'"

"People don't know about midgets. I did a show in Kentucky last night – holy fuck, were there some inbred, redneck dumbasses over there. Oh, God! I came off the stage, this dude comes up to me and says the dumbest thing I've ever heard. He's like, 'Hey, Brad... you were funny as hell, man, that was great. And what a coincidence you're a little person – my best friend is retarded, too.' It's not the same thing!"

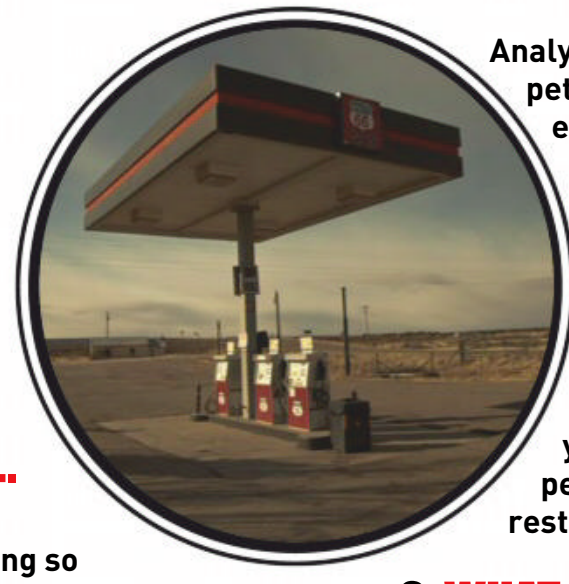
"I HAVE A BIG HEAD... SERIOUSLY, THIS IS A BIG FUCKEN HEAD. MEXICANS GET CONFUSED AND HIT ME WITH STICKS, THINKING CANDY'S GUNNA POP OUT OF THIS MOTHERFUCKER."

THE JOKE'S ON YOU

THIS WEEK: PETROL COMPANIES

When I got home last night, my wife demanded that I should take her somewhere expensive. So I took her to a petrol station!

Q. WHAT DO PETROL COMPANIES AND COLONEL SANDERS HAVE IN COMMON?
A. THEY BOTH PUT BIRDS IN OIL.



Analysts are saying that if petrol gets any more expensive, oil companies are going to stop receiving arson threats.

Good luck letting oil companies clean up their spills, have you seen the state of petrol station restrooms?

Petrol prices are getting so expensive taxi drivers are starting to take the shortest route.

Q. WHAT HAPPENS WHEN YOU GO TO A SEAFOOD RESTAURANT AND ORDER THE SEA BASS?
A. THEY ASK YOU IF YOU WANT IT REGULAR OR UNLEADED.

Q. WHAT IS THE DIFFERENCE BETWEEN SHITE IN A BUCKET AND A PETROL STATION?
A. THE BUCKET.

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

GLORY DAYS

I DON'T know what to say, mate. I've been reading THE PICTURE for years, loved all the crap-but-funny stories, the many terrific guests who were in it – Jesse Jane in the office was a highlight – and of course the thousands of Homies, Aussie girls who didn't mind flashing their tits for a laugh. It'll be sorely missed. All the best to everyone there, and hope you all get new jobs.

A.J., WALGETT, NSW

MUNGO SAYS: Thanks, pal. Glad we brightened up your life for a while. We had a pretty good run. Me and Carl are OK – you can check out our new gigs elsewhere in the mag – but as for the rest of the poor slobs who work here, you'll probably see them at the traffic lights with a squeegee, doing windscreens.

HELL NO, PLEASE DON'T GO!

MUNGO, you can't do this to all the loyal readers! I have been buying PICTURE mag for 30 years and was devastated when the mag went fortnightly – now you want to close it down. No! No! No! There must be a way! Please save it. Mondays will be boring without it.

A.R., CABRAMATTA, NSW

MUNGO SAYS: It's not down to us, mate. We're the ones getting the bullet, after all. We're up against the wall with the firing squad getting ready to shoot. Just time for a last smoke before the blindfold goes on. Oh well. May as well make it a big fat spliff and go out giggling, eh.

WASTE NOT, WANT NOT

CROOK news about THE PICTURE shutting down. My condolences and good luck to everyone who works there for the future. Now, I don't suppose you'll be auctioning off all the used undies from all the photo shoots over the years will you?

MUPPET, BRIGHTON-LE-SANDS, NSW

MUNGO SAYS: Hadn't thought of that, but what a way to fund the farewell piss-up! Good thinking, Muppet. Keep an eye on eBay for details.

LETTER WITH A PICTURE **WINS $100**

WE BELONG TO THE WORLD!

YOU meet some krazy kunts in downtown Las Vegas. This bloke loved my PICTURE mag T-shirt and insisted on getting his photo taken with me. I've worn them with pride everywhere I go. Life just won't be the same without THE PICTURE. Another part of Australian culture taken away by the ones who can't appreciate true Aussie humour... and tits. This is like a death in the family.

I FUCKEN HATE WOWSERS!

P.L., MILDURA, VICTORIA

MUNGO SAYS: A death in the family? More like a fucken MURDER. A vibrant, healthy mag in the prime of its life, cut down by wowsers who don't have a sense of humour. Yep, it's gunna be a dreary, grey old world without us, that's for sure.

I'LL GIVE HER A HOME

SORRY to see THE PICTURE is closing, always loved it and all the fantastic babes the mag has given us over the years, hundreds of the sexiest babes I've ever seen and I could never figure out where you found them all. But my favourite was little Aussie sweetheart Kiki Vidis, and I was so happy when she became your sex advice columnist. What's gunna happen to her now?

K.L., TOOWOOMBA, QLD

MUNGO SAYS: Don't you worry about Kiki. She's not just a pretty face, a killer body and sex appeal from here to breakfast time. Kiki's pretty cluey and I have no doubt you'll be seeing more of her. CEO of some big company? Federal politics? You never know...

MUNGO WANTS TO KNOW...

How are you loyal readers going to survive without us? Hell, how is AUSTRALIA going to survive without us?

SICK PICS

YOU WON'T BELIEVE YOUR EYES

TRUNK AND DISORDERLY

IT LOOKS like this elephant in Thailand has TRUNKED one too many pingers. He was wandering around the Khao Yai National Park when he fell in deep lust with a passing car and decided it was time for some jumbo jizz action. Oh yeah, baby! He had to make sweet lurv to it. Do that THANG with his WANG. Calling up his inner Barry White, the 34-year-old, seven tonne bull elephant known around the park as Duea mounted that sexy little Toyota and proceeded to stroke it and poke it, breaking the rear window and crushing the roof in, and no doubt scaring eight shades of shit out of the driver. Then Duea was done, and he diddy-bopped back into the jungle for a post-root durry and a snooze. The smoooooth bastard!

IN BED WITH KIKI

SELF-LOVE

HEY babe, I've been sleeping with this guy recently, who's a decent fuck, but during sex he pumps himself up by talking to himself, saying things like 'Fuck yeah Robdog!' or 'You got this Robdog!'. It really weirds me out. Should I say something to him or just leave it?

SASHA, GOLD COAST, QLD

***KIKI SAYS:* Yeah, I've had a few of those guys. It's weird, but hey, whatever gets them off. If the sex is amaze-balls then I can always work with it. But if he's a dud root, then I'd probably say something to him like "For fucks sake, Robdog!"**

ALL DOLLED UP

MY MISSUS asked me to 'dress sexy' for her. I thought she meant like a fireman or policeman or something, but she wants me to wear skimpy women's lingerie and a wig. I'm not sure how I feel about this – what do you think I should do?

CONFUSED, CAIRNS, QLD

***KIKI SAYS:* I think I've seen this movie before. The next thing you know, you'll end up with a ball-gag in your mouth, with some hung stallion thrusting away at your wife while you watch. Sounds like you're a few sessions away from ending up on FemDom Empire.**

HEY! HO! SEXPO!

I SAW that you were at Sexpo recently. Unfortunately my bastard fat cunt boss made me work and I couldn't get there. Did anything wild happen?

RICK, CARLTON, VIC

***KIKI SAYS:* Yes, you missed out on everything! But in saying that, most of the hook-ups happened at the opening and after parties. But still, my girlfriends and I were lined up in a vagina comparison contest. We really could have used your help!**

COME AGAIN?

HI KIKI, according to my girlfriend I've never been able to make her come. So we decided to mix things up and get another chick involved. And would you believe it, after just 30 seconds of this other chick going down on her she was coming like a train! Do you reckon my chick is a secret lesbian or am I just doing something wrong?

DANNY, BRISBANE, QLD

KIKI'S SEX CONFESSION

"I've worked out that the average amount I spend on a date before it leads to sex is about $87, which I think is pretty good. I call it my CPB (cost per bang). For instance: take a guy out to the bar and buy him three shots before he screws me senseless in the bathroom – my CPB would only be $30. On the other hand, I could buy brand new shoes, get waxed, book a hotel room, he accidentally rips my underwear during foreplay, and my CPB would be $500. What's your average CPB?"

***KIKI SAYS:* Ok, either your girlfriend is a lesbian after all, or you just really suck in bed. To test both of these theories – just invite another guy over for a threesome and see if he can get her moaning. And if you really are doing everything wrong in the bedroom, I'm happy to give you a lesson or two...**

A REAL PUSSY

HELLO, I am a 19-year-old guy. I have only seen one lady's vagina one time in real life. She quickly flashed it to me on a bus. It looked nice. How can I make more ladies show me their vaginas?

JAYDEN, CHATSWOOD, NSW

***KIKI SAYS:* Have you ever heard of a strip club? It's literally this magical place with walking vaginas. And you'll get to see a whole lot more if you just throw some money around.**

BIG PROBLEM

KIKI, I've got a problem. I have a real thick cock, thick like a small tree stump. This is because I've been injecting saline into it for the past couple years. I'm afraid chicks will freak out when they see it. What would you do if you saw a cock as thick as a coke can?

THICK FREAK, PERTH, WA

***KIKI SAYS:* Why? Just why would you be injecting anything into your dick? I hope you're still not doing it now! Yeah, I'm not trying to fuck up my pretty tight vagina by sitting on tree stumps so I'd probably give your dick a miss.**

HALLE-SMOO-JAH!

DEAR beautiful young Kiki, I too was once a sinner like you. I lived a shameful life of adultery and illicit substances, but now I am a changed man! I found Jesus and he has shown me the light! HALLELUJAH! Would you consider coming to Bible class with me and fixing your wicked ways?

LYLE, WAGGA WAGGA, NSW

***KIKI SAYS:* I think I liked you better before you joined your cult.**

"WE HAD A VAGINA COMPARISON CONTEST"

MUNGO GOES TO WASHINGTON!

Meet our new ambassador to the USA!

YOUSE may have been wondering what I was gunna get up to now my role as letter answerer for THE PICTURE is coming to an end.

I couldn't say anything while the top-level talks were going on, but now I can reveal my new gig – Aussie ambassador to the USA!

Apparently the fat, lazy cunt currently doing it is getting the arse and they've been looking for a new fat, lazy cunt to take his place.

Well, I'm fat and I'm lazy, and I am a bit of a cunt, or so I've been told, so who better to host barbies at the Oz mansion in Washington DC, play golf with The Donald and generally bludge around all day doing FUCK-ALL on your taxes?

Yeah, so I got the gig.

It comes with some good perks, too – free tickets to all the baseball games, backstage passes to the Miss Universe pageant and enough free bourbon to float a battleship.

I had to negotiate a few extras, but – a weekly shipment of Resch's flown in by the RAAF, 'cos I'm not drinkin' that seppo piss, my own personal chef to bang out chicken schnitties 24/7, and my choice of personal assistant.

I haven't made me mind up yet between Jesse Jane or Beyoncé. I'll let you know on that one.

So if you're ever in Washington DC and feel like getting on it, look me up at the Australian embassy and I'll open up the ambassadorial beer fridge for youse.

We can maybe grab a quick 18 holes with The Donald – that's about all he does, anyway – and then fire up the barbie and get shitfaced to some Chisel tunes.

Let's face it, it's what I was born for. **Picture**

Malena's a strict vagitarian

TODGER FREE ZONE!

TURNS out Malena Morgan has a very poor on-screen diet. The 28-year-old mattress actress has been neglecting her MEAT AND TWO VEG, preferring to feast on only FISH TACOS.

And if we've learnt anything from people on the tele, it's that having a poor diet will make ya KICK THE BUCKET sooner. So in the interests of mankind, and our TODGERS, we thought it only right that we warned Malena of the immediate danger.

Malena, we are worried you're not getting enough SAUSAGE in your diet. What's going on?

"My reasons for not doing boy/girl on-screen are that I just can't take size, and I also won't suck your dick unless I love you."

Well, what do you like about doing lezzo porn then?

"Travelling, the pretty houses and of course the girls!"

What's the weirdest thing you've ever had to do on-set?

“I’VE USED A
ZUCCHINI”

MALENA

“I WANT TO HAVE AN 8-WAY LESBIAN ORGY”

"I've used a zucchini."

At least you're expanding your diet. Anything on your sexual bucket list?

"I want to have an 8-way lesbian orgy."

We'd watch that. Do you enjoy watching your own scenes?

"Yes, I think the best scene I've ever done was a softcore scene with Hayden Hawkins."

Is GROWLING OUT a chick on camera different to doing it in real life?

"Yes, the issue is that good pussy-licking doesn't look good on camera. There's a 'cheek-to-leg' rule that means you have to keep your face out of the way. Also, I think it's safe to say we're all a little desensitised from using too many vibrators."

Seems like the best solution would be to switch to MAN MEAT – how's that for some good advice!

"The best advice I've ever been given is, 'Don't argue with drunks or idiots'."

Looks like we're done then!

LEZ BE FRIENDS

I ALWAYS crashed at my friend Lou's house when we went out drinking in the city because she lived so close by. She lives on her own so it was fine for me to bring back blokes to fuck.

One night we picked up two guys who knew each other and were absolutely down to root us. We dragged them back to Lou's and went to separate bedrooms, but by the time we got down to the nitty gritty, my bloke had passed out – he was pissed off his head.

I was really angry so I went out to the lounge room to watch TV, thinking I'd strangle the fuckwit if I slept in the same bed as him.

About 10 minutes later, Lou came out and sat beside me. She explained that her bloke had passed out drunk as soon as the lights went off, and she didn't want to sleep next to him, either.

I could tell she was just as toey as I was, so I went to the kitchen and grabbed a cucumber. As soon as I came back into the room, Lou knew what was up, and she started warming up her vajootz with a few fingers.

I lubed up, slipped the cucumber into my wet smoo and lined up the other end with Lou's twat. She shoved herself onto it and we double-teamed the big, hard vegetable for what seemed like eternity.

About halfway through we managed to twist ourselves into a position so that every time we slid down the cucumber our clits would mash together. It felt great!

Lou and I came at the same time and the next thing I knew, we were being woken up by the two blokes we'd brought home. Turns out we'd fallen asleep still mounted on the damn cucumber and the blokes thought we were raving lesbians.

So we stuck with that story, kicked them out and fucked some more.

SISTER ACT

I'VE been married for five years. I never thought I'd fuck a woman 'cos I crave cock so much.

Recently my hubby's sister Sarah was over. She's the wild child of the family and has a great pair of chest pillows I love perving on.

When my hubby went to bed, we drank wine, and Sarah told me some sexy stories. I complained I wouldn't be seeing any action that night. "How do you know?" she asked, then undid a couple of buttons to show off her tits.

"I'm married. You're married, too." I told her, stating the obvious.

She unclipped her bra. Her melons bounced out, begging for a squeeze. "It's not like we'd be fucking other blokes," she said as she flashed her nicely trimmed beaver and slipped a finger inside.

I leant in and kissed Sarah's soft lips, then buried my head in her double-Ds, sucking on her nipples. She hitched up my dress and worked her fingers into me. I bit into her shoulder as she jammed one finger inside my bum.

Sarah threw me back on the couch and dropped her vadge on my face. It was a rush to taste another woman's pussy, and I ate her out hungrily. She grabbed screamed as her hips jerked in ecstasy.

After she came, Sarah finger-fucked me to climax. My whole body shuddered and I wondered if I'd hooked up with the wrong family member.

The next day my husband asked, "Have you ladies got any plans?" as he left for work.

"We'll think of something," Sarah smiled. I couldn't wait for him to get out the door.

LATE NIGHT QUIM

I'M A proud bisexual and an even prouder nympho. I love a good root and I love the thrill of chasing a guy or a girl, flirting with them, making out with them and finally getting to fuck them. It's like heroin for me.

One night I picked up this decent-ish guy at a pub in the city. He wasn't anything special, but the whole place was kinda boring and filled with ugbos, and I just wanted to get wet and go home before the sun came up.

He invited me back to his place and when we walked through the door I was greeted by a stunning brunette wearing her pyjamas, berating this guy for coming home so late.

I thought she was his wife – turns out she was his sister and he lived in her house while he was unemployed and pretty much homeless.

She and I hit it off pretty well and I could see the dude was getting a bit shitty with me talking to his sister, Rhian. But she had these huge tits and a face I could slam into my twat for hours... so I did!

I pashed her in the hope that she'd snog back, and I was in luck. She was definitely up for it and her brother stormed out while we made our way to the couch.

I was ready to eat her like fairy floss, but Rhian surprised me by ripping off my slutty skirt and going down on me. I couldn't believe I'd lucked out with such a hot muff gobbler!

It wasn't fair for her to be doing all the work, so I wriggled around until we were 69ing, then grabbed the closest thing I could find that would fit inside her – the TV remote.

I pounded her with that thing while she slurped my spadge. With my fingers and her pussy lips rubbing on the remote, the channels were changing and the volume was going up and down like crazy, which kept her brother up all night while we fucked.

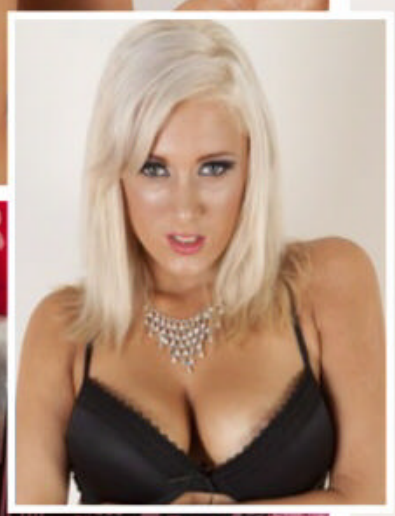
SYDNEY // 23

IPSWICH, QLD

Sydney, 23, is a contortionist, which, surprisingly enough, has us thinking about what she gets up to in the sack. ***Can you contort into amazing positions in bed?*** "Absolutely. I can contort into the shape of a rabbit." ***Every Souths fan's fantasy. Do you get cramp midway through a Donald Duck?*** "Absolutely not. I practise flexibility every day." ***Alone, or with friends and other hangers-on?*** "With friends, always." ***What's the biggest number of friends you've had in bed?*** "Six." ***Did you get enough attention?*** "All the attention was on me. I'm the contortionist." ***Of course, how silly of us!***

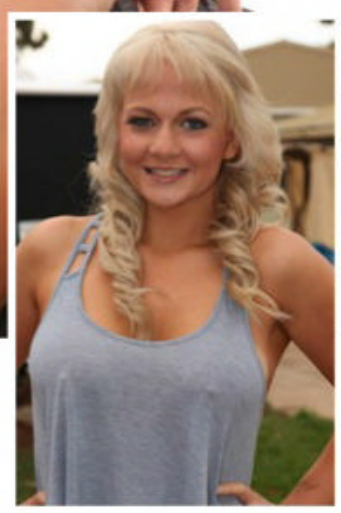


$200 TOP TITS

NIKKI // 22

SYDNEY NSW

This 22-year-old retail manager is into video games. ***Which ones?*** "Anything takes my fancy as long as there are heaps of explosions." ***We love a good explosion. Are you explosive in the sack?*** "I like to think I am. I'm up for trying anything. I like to think I'm explosive outside the bed, too." ***Giz some examples then, Nikki.*** "On top of a parked car by a RAAF base with security everywhere; by a duck pond in broad daylight; the other day we did it in a public toilet in a shopping mall; in a parked car in a busy car park. I'm not too shy, really. ***Yeah, we can tell. Have you been caught?*** "Not yet. I think people have gone past and known what we're doing, but no-one has come up and told us to stop. No-one has come up and told us to keep going, either." ***Clearly need to try a few more spots.***



JORDAN // 19

MURRAY BRIDGE, SA

Topless waitress and model Jordan, 19, has an eye – and frantic wrist – for the cinematic arts. ***What genre of films do you like? Gritty drama? Chirpy romantic comedies? Hard-hitting documentaries?*** "I like lesbian porn the best; it's sexy." ***We have something in common, then. Have you made your own films?*** "Just home ones." ***Do they have good plots?*** "No, boring plots – good endings, though." ***What happens at the end?*** "Fireworks!" ***What makes a good porn performance?*** "Lots of positions." ***You like watching girl-on-girl flicks. Have you stuck your head between the thighs of a real, living woman?*** "No, I haven't done that." ***We look forward to your lezzo debut, then.***

MISHA // 25

GOLD COAST, QLD

Stephen Hawking, Bill Gates and that annoying skinny cunt off *The Big Bang Theory* are as attractive as haemorrhoids, but that doesn't stop Misha from wanting to massage their MEMORY STICKS. "I like to hook up with nerds and totally corrupt them," the 25-year-old chattered. "Geeks don't get a lot of action and spend most of their time fantasising about making love to hot babes like me, so when they get a chance to actually do it, they're very appreciative! They might not be experienced, but they put in a lot of effort and let me do whatever I want to them." ***Such as?*** "I once tied up a virgin and smacked his bottom before making him have sex with me over and over again. He was so happy!" ***Do you do female dorks?*** "Yeah, they're good, too."

CANDY // 22

GOLD COAST, QLD

THIS 22-year-old Queenslander lives a life most could only dream of. "I spend my days on the beach and my nights in the clubs," boasts the very sweet Candy. "I'm having the most fun of my life right now." ***Good to hear. How are you able to support this life of luxury?*** "Well, I've been stripping for the past six months. So I guess my nights in the clubs aren't always for play - I work in a one four nights a week." ***Do ya LOVE IT?*** "Oh yeah, not only do I love guys watching me, but I really enjoy talking to people and interacting with everybody. You get some really interesting characters in strip clubs." ***Anyone fallen in love with you yet?*** "Ha, no… at least I don't think so. I do have this one customer who sees me once a week and he offered to pay me just to hang out and watch TV with him, he's a nice guy, but I refused." ***Paid to hang out and watch tele with a random bloke – sounds great!*** "Well, I think it would quickly move on from watching tele." ***Ain't no man gunna trick you!***

JADE // 23

GOLD COAST, QLD

French diving instructor Jade doesn't think the seaside is just for swimming, throwing chips at seagulls and racially motivated gang violence. "I like sex on the beach and at the river," says the yummy 23-year-old. "I love the risk, it's so exciting." ***We're excited, too. What about getting it on with other hot women?*** "No, I love men." ***That's sad – for chicks. What about groups?*** "No." ***Righto! What was it like being photographed for our crap magazine?*** "To be photographed was a new thing for me but I feel good and the pictures looked very. I would like to do it again." ***Something tells me our readers look forward to your encore performance.***

GARNET // 20

ADELAIDE, SA

Twenty-year-old Garnet is a real Aussie trooper, not letting misfortune get in her way. ***What is the funniest thing that has happened to you in the bedroom?*** "I fell off the bed." ***How did that occur? Earthquake?*** "Well, he was picking me up to move into another position, and I fell off." ***Get you climb back on and finish, or was the moment over from that point on?*** "I got back into it." ***A can-do attitude that makes this country great. What is the most unusual place you have had sex?*** "In a park." ***Did you make someone's day by getting caught in the act?*** "I did not get caught." ***What about bitten on your pert arse by bastard ants?*** "No, we did not get bitten by ants, either." ***Sounds to us like you might be better leaving the hazards of the bedroom behind and sticking to a safe environment like a park for all your future rooting needs.***

"I'm happy about my body"

JULIANNA // 27

MELBOURNE, VIC

Nude spunk Julianna, 27, has us Hungary for more. Get it? She's from Hungary, which sounds a bit like… aw, fuck it. Just look at her tits. ***Tell us about yourself.*** "I have a master's degree in economics and I can speak English, German, Spanish and Hungarian." ***And you look good in the nuddy, too. What made you want to get photographed sans undies?*** "Why not? I'm happy about my body and it is good to have nice photos of myself." ***How does a bloke impress you in bed?*** "Long, sensual kisses, and I like when he knows what is good for me and what is good for him." ***And what's good for you, exactly?*** "Hmm, I like it when they take their time to give me pleasure."

"I can fit a whole banana in my mouth," brags 24-year-old British spunk Sasha. ***OK, we're intrigued. What else can you cram in your mouth?*** "Fourteen Pringles without breaking them, 17 marshmallows and my whole fist. But not at the same time, as that would be weird." ***And the flavours would clash frightfully. Does a voluminous mouth capacity come in handy for bedroom antics?*** "Obviously! The volume keeps the neighbours up, too. I also have another awesome trick, which involves the pole in my bedroom and being upside down. It's always a crowd pleaser." ***Crowd? What is the biggest crowd you have fit into your bedroom?*** "I am a one-on-one type of girl, if you mean it like that." ***Are we so transparent?*** "But when my girls come over for pole parties, we can fit a whole heap of us in there. I would say 10, max. My room is not that big."

MARNIE // 22

SCARBORUGH, WA

"I am 22 and living in over here in Perth, says mouth-watering blonde owner of a great arse Marnie. "I am full-time nursing student working for a small beach fashion label in Scarborough." ***Sounds busy. How do you blow off steam?*** "I got really drunk one night in Leederville and went back with a group of boys that my friends and I met and went skinny-dipping with a giant blow-up duck. I will finish the story there." ***What other inflatable objects have you been naked around?*** "I was once nude on a jumping castle with friends late one night at a party. That was heaps of fun. One of my friends had really big boobs, so watching her go up and down was a pretty spectacular experience." ***Our readers are more likely to be naked around inflatable dolls. Come to think of it, most of the staff, too.***

HOLLY // 26

ALBURY, NSW

"I am a hairstylist and I'm Canadian," says chestically endowed Holly, 26. "One of the more outrageously sexy things I have done was showing up to the workplace of the guy I was seeing at the time as he had to stay late. I was dolled up to the nines and the whole office floor was empty. We definitely took advantage of the staff-client wine selections, the space, the view and his boss's desk. Later we found out it was recorded by security and he was warned by the boss to just let him know beforehand next time." ***Was that your onscreen sex debut or had you made films before then?*** "Maybe not my first time on camera but no real films or anything." ***Any plans to film a sequel?*** "No plans thus far, but these things happen. So you just never know."

EVIE // 19

CALOUNDRA, QLD

DAYS spent lying on the beach passing around goonbags and smoking ELECTRIC CABBAGE sound like days well spent to us. But to 19-year-old Evie they're nothing but wasted time. "I need to get a job and stop bumming about so much," explained the BUSTY babe. "I spend too much time at the beach with my friends and not enough time looking for work and being productive." ***What kind of work are you looking for, Evie? Maybe we can help you out…*** "I'm not really sure, I quite enjoyed having my pictures taken nude so maybe I could become a model!" ***We wouldn't argue with that. Do you have a boyfriend at the moment?*** "Nope, completely single. In fact, I've never had a boyfriend." ***Are you on the lookout?*** "Not really. If a guy came along, then I wouldn't say no, but I'm happy right now." ***Are you making the most of being young and single?*** "I don't really sleep around, I might hook up with a guy if I'm out, but I won't have sex with him unless he's a potential partner." ***What about chicks? Play a bit of TONSIL HOCKEY with your mates?*** "I have, but it's not a regular thing."

KLAU // 20

PRESTON, VIC

Twenty-year-old Spanish spunk Klau is a girl with hobbies we can get excited about. ***What's your fave thing to do in bed? Besides sleeping, that is.*** "Threesomes." ***I suppose that doubles our chances of getting it on with you? With the lights on or off?*** "I love soft light. It's so sexy. And always with good music." ***Mariachi bands? Polkas?*** "Rock or blues. It's magical." ***Would you have great sex or an amazing meal on your last day on earth?*** "An amazing meal for sure. Or both, ha ha. But I'm more satisfied with sex." ***Do you use social media much?*** "No, I don't use it very much. But I don't care. I suppose I use it when I'm bored. I think the last time I ever sent an actual letter to someone was in high school."

ALLANAH // 22

PERTH, WA

DON'T fret fellas, Allanah might look like she's out of your league but the 22-year-old prefers her blokes to play second fiddle in the looks department. "If I'm with a guy who's not too crash hot, then I'm gunna look heaps hotter standing next to him." ***Well, we can't argue with that logic. So you only get with blokes who've fallen out of the ugly tree and hit every branch on the way down?*** "Not that bad! I just mean I'd probably feel a little intimidated being with a really, really good-looking guy. He's still got to be a nice and make me laugh!" ***And what does he have to be like BETWEEN THE SHEETS?*** "He has to go down on me regularly." ***And will you be returning the favour?*** "Of course, if I really like him. I feel like head is so much more intimate than sex." ***Hmm, explain…*** "I could have sex with a guy and not even see his dick. But blowjobs, I'm right up closing kissing, licking and loving it." ***We wouldn't mind a bit of lovin' right now.***

FLASHBACK

DECEMBER 2012

SAL // 26

SYDNEY, NSW

The warmer months get us into the gardens. And out of our clothes. Like Sal here, who looks right at home mulching… and showing us her awesome boobs and pleasure dent. ***You like gardening?*** "Yeah, I do." ***We're not convinced.*** "It gets really hot, but." ***At least we can see that you trim your own growth down there.*** "Yes, I wax." ***Do you slip, slop, slap before you go gardening in the nude?*** "You mean sunscreen?" ***That's the slop bit, yes.*** "Um, yeah." ***Where else do you go naked?*** "At the beach – I go topless, anyway." ***Never fully nude?*** "I have once." ***Sydneysiders, here's hoping you get a sequel this summer.***

"I've gone fully nude at the beach"

"Two guys is a big fantasy of mine"

MISS MESSICA // 20

BRISBANE, QLD

The easiest way to get Miss Messica gushing like a broken tap is to chuck her in the water: "I can't get enough of having sex in the pool and I do it at every opportunity," squelched the 21-year-old promo model. "I have no idea why it's so good. Maybe it's the feeling of weightlessness or something, but it's such a turn on. Well, except when I get caught going for it in the water, ha ha!" ***Where else have you played the MAGICAL PINK TUBA?*** "The most memorable was in my local park, because I ended up with bindies all over me. Let me tell you, it's no fun picking bindies out of your bum and fanny!" ***We could help you with that if you like. Have you got a boyfriend?*** "I'm single right now but I do pick up a fair bit when I'm out at clubs. I like to drink Jack Daniel's." ***And what sorta blokes float your boat?*** "I'm attracted to bad boys because they usually have big muscles and know how to please a lady sexually." ***Would ya take on two of 'em at the same time?*** "Yeah, that's a pretty big fantasy of mine. If getting done by one bloke is good, getting done by two must be awesome!"

JASMIN // 21

GOLD COAST, QLD

Spanish-born travel agent Teresa, 29, reckons she is in Home Girls 'cos she has "a great body and I like to share", which is very public spirited. But she is not impressed if you whip this body off to a beach resort for 10 days of breakfast buffets, lying by the pool, reading Les Norton novels and coming up with excuses not to see the cultural fire show. "I'm a big city, big smoke girl. I'm into the parties, the shopping and the people. My job is great as I love to explore." ***What city should people see before they shuffle off?*** "Paris. It is just beautiful." ***So is holiday sex more likely to happen in cities or by the beach?*** "I'm a city princess. No sand in this crack." ***Bummer. Are there any outdoor sex locations you do like?*** "Snuggles and spooning on a lounge on the decking under the stars." ***Sounds romantic. What nationality is the sexiest you've met on your travels?*** "Definitely the Swedes. I like blondes."

KATE // 21

MELBOURNE, VIC

Luckily for us and our rapidly moving hands, 21-year-old bar attendant Kate is "an open person and I'm proud of my body" ***We're glad to hear that.*** "I shouldn't be ashamed to show it off." ***There is no certainly no shame in having a set of TITS like those.*** "I'm not one to think that showing a little boob and butt off is a huge deal. I can only hope the readers enjoy it as much as I enjoyed shooting for you guys."

A few readers will be shooting something. And having to clean up. Does posing nude turn you on? "Nah, but I've shot nude several times. It is fun but definitely not a turn on." ***Have you been photographed or filmed naked very often in the past?*** "Photographed a few times. But I have never been filmed." ***We hope that changes soon. As do any potential cast members who might be joining you on film.***
